

LUCKY DIP Instructions and Order Form

Welcome to the American Primrose Society LUCKY DIP Seed Exchange. Our regular Members' Seed Exchange has finished for this season, but we are now making seed available to everyone as part of our Society's mission to encourage the growing of Primulas. We therefore offer 'closeout bargains' as sets of 10 packages of seed from the genus Primula to anyone interested in the culture of these plants.

Price for APS MEMBERS is \$4 per set of 10 packets, limit of 4 sets.
Price to NON MEMBERS is \$8 per set of 10 packets, limit of 3 sets.

To order seeds: print, complete, and mail this form as soon as possible with payment to:

APS, c/o Amy Olmsted, 421 Birch Rd. Hubbardton VT 05733

Orders will be filled as they are received, until available supplies are gone. Although you may indicate which kinds of seeds you prefer, please note that **the choice of seed is ultimately ours**. We will try to fill your order if the seed is still available, but we offer **no guarantee** that you will receive the seed you ask for.

Write the numbers, in order from left to right, from the Seed Exchange list on the APS website:
